# PEACE AND COMFORT

SAVING during youth prevents  
SLAVING in old age

This golden adage is of such universal application that one need not go far to see the numerous instances of misery arising from a neglect of it. Illness or other adverse circumstances may at any moment deprive you of that source of income which would ensure comfort in your old age and competence for your family after your death.

The only resource which does not fail one in one's hour of need is life assurance with a concern of undisputed stability such as the Mysore Government Life Insurance Department, a progressive concern of which the policy amounts are guaranteed by the State Revenues, and which offers maximum benefits at minimum cost.

All Mysoreans whether by birth or domicile may insure here.

Bonus last declared:  
**Rupees 20**  
per thousand per annum

For particulars please apply to :-

THE SECRETARY,

**MYSORE GOVERNMENT LIFE INSURANCE DEPARTMENT,**  
PUBLIC BRANCH, BANGALORE.

## TREASURY CASH ORDERS

Facilities have been created for the public remitting money from place to place through Government Treasuries. For particulars, apply to any Government Treasury or to the undersigned.

## FIVE-YEAR FIXED DEPOSITS IN GOVERNMENT SAVINGS BANKS

All Mysore Government Treasuries have been authorised to receive Fixed Deposits for Five years carrying interest at 2 per cent per annum. The interest is payable half-yearly and is exempt from income-tax. These deposits constitute a very attractive form of investment. Intending depositors may get full particulars on application at any Mysore Government Treasury, or to the Comptroller, Mysore Government, Bangalore.

## MYSORE GOVERNMENT SAVINGS CERTIFICATES

All Government Treasuries are authorised to issue five years' Savings Certificates. For every sum of Rs. 4-5-6 paid into the Treasury a sum of Rs. 5 will be repaid at the end of five years, yielding a profit of Re. 0-10-6 which works out to compound interest at 2-13-0 per cent.

Repayment will be made earlier, if so desired by the investor, but the amount repayable will be less and in accordance with a sliding scale.

These certificates offer a convenient and valuable method of investing one's savings ensuring good interest free of income-tax and repayment at any time at the holder's option.

Further particulars can be obtained from the Comptroller, Mysore Government, Bangalore, or any Government Treasury.

M. SHAMANNA,  
Comptroller.
